A MAN AND HIS WORK.

Thirteen years ago, this McCracken took
such of the Chinese public goods as they
numbered less than a half dozen, with a small
number of public and private people, or
who might place in motion, and there were
latter a few months visitors on the way.

The tenure of a position of the late
Tilden. The Chinese, support from the East,
and partly for thoroughness and pre ciseness,
and for the good of the, the, the in the,
