Guide to the

Caffall Implement Company Records
1924-1932

1.44 Linear Feet

Collection No. 036

Prepared by Trina Morgan
January 2012

CITATION: The Caffall Implement Company Records, Collection No. 036, Box No. 1, Archives and Special Collections Department, Frazar Memorial Library, McNeese State University.
Historical Sketch

The Lake Charles Carriage and Implement Company, Ltd. was established in 1884 and began as a carriage company, with farm implements, buggies, carriages and wagons, and later offering automobiles and tractors. The showrooms were located on the corner of Mill and Ryan Streets in Lake Charles, Louisiana. The president of the company was F. B. Caffall, a resident of Jennings, Louisiana.

Scope and Content

The collection consists of one ledger recording sales and purchases transacted between 1924 and 1932.
